

International Computer Olympiad (ICO)

Computer Syllabus Class 1

- Basics Of The Computer System
- Information Processing Cycle
- Essential Computer Hardware
- Operating System
- Categorized Storage Devices
- Mental Ability Exercise

Computer Syllabus Class 2

- Basics Of The Computer System
- Information Processing Cycle
- Essential Computer Hardware
- Operating System
- Categorized Storage Devices
- Mental Ability Exercise

Computer Syllabus Class 3

- Basics Of The Computer System
- Information Processing Cycle
- Essential Computer Hardware
- Operating System
- Categorized Storage Devices
- Mental Ability Exercise

Computer Syllabus Class 4

- Basics Of The Computer System
- Information Processing Cycle
- Essential Computer Hardware
- Operating System
- Categorized Storage Devices
- Mental Ability Exercise

Computer Syllabus Class 5

- Subjective Exercise
- Mental Ability Exercise
- Answers And Explanation

Computer Syllabus Class 6

- Subjective Exercise
- Mental Ability Exercise
- Answers And Explanation

Computer Syllabus Class 7

- Subjective Exercise
- Mental Ability Exercise
- Answers And Explanation

Computer Syllabus Class 8

- Subjective Exercise
- Mental Ability Exercise
- Answers And Explanation

Computer Syllabus Class 9

- Subjective Exercise
- Mental Ability Exercise
- Answers And Explanation

Computer Syllabus Class 10

- Subjective Exercise
- Mental Ability Exercise
- Answers And Explanation
